30+ YEARS OF PACKAGING EXPERTISE

For more than three decades, Express Group of Companies has been helping businesses protect, present and move their products through reliable, high-quality packaging solutions.

Our expertise spans corrugated packaging, printed packaging and customized packaging solutions, supporting businesses across a diverse range of industries and requirements.

Through Express Packages and Express Print & Pack, we bring together manufacturing expertise, print capability, quality control and customization to deliver packaging built around the needs of every product and business.

EXPERIENCE THAT SHAPES EVERY SOLUTION

More than 30 years in the packaging industry has given us an understanding of what matters, quality, consistency, efficiency and dependable delivery.

FROM EVERYDAY PACKAGING REQUIREMENTS TO CUSTOMIZED SOLUTIONS, OUR APPROACH REMAINS SIMPLE:

LASTING RELATIONSHIPS

CAPABILITY BUILT FOR SCALE.

ESTABLISHED INFRASTRUCTURE. EXPERIENCED PEOPLE. LOCAL EXPERTISE WITH AN INTERNATIONAL OUTLOOK

Express has developed the production infrastructure, technical expertise and operational resources to support businesses with packaging requirements of varying scale and complexity.

From customized production runs to high-volume requirements, our capabilities are designed around consistency, flexibility and dependable output.

LOCAL & INTERNATIONAL EXPERIENCE

Experience across Pakistan and international markets helps us understand local needs, diverse requirements and global supply chain standards.

INTEGRATED PRODUCTION CAPABILITIES

Our corrugation, printing, die-cutting, converting and finishing capabilities enable us to manage diverse packaging requirements in-house.

HIGH VOLUME PRODUCTION

Scalable infrastructure and efficient processes to meet varying business demands with consistency and reliability.

PEOPLE BEHIND THE PACKAGING

Our design, production, quality, operations and customer support teams work together from requirement to final delivery.

COMPLETE SOLUTIONS

From corrugated strength to premium presentation.

ONE PARTNER

Simplified communication and seamless execution

TAILORED APPROACH

Solutions designed around your product and brand

CONSISTENT QUALITY

Backed by expertise, process and commitment

QUALITY. AT EVERY STEP IN EVERY BOX

CONSISTENCY ISN'T CHECKED AT THE END.
IT'S BUILT INTO THE PROCESS.

Quality control is integrated throughout our production process, from incoming materials through manufacturing to final inspection.

THE QUALITY ASSURANCE

RAW MATERIAL SELECTION

We use premium raw materials from trusted suppliers to ensure strength, durability and consistency.

INCOMING QUALITY INSPECTION

All materials are thoroughly inspected for quality, thickness, moisture and strength.

IN-PROCESS MONITORING

Continuous monitoring during production ensures dimensional accuracy, print quality & structural performance.

FINAL QUALITY CHECK

Every order undergoes a final inspection to verify accuracy, strength, finish and compliance with standards.

SAFE & SECURE PACKAGING

Finished products are packed with care to prevent damage during handling and transportation.

ON-TIME DELIVERY

We ensure timely delivery with secure logistics so your packaging reaches you when you need it.

CERTIFIED FOR CONFIDENCE

Our quality management system is aligned with international standards to deliver consistent and reliable packaging solutions.

TESTED. TRUSTED. DELIVERED.

Our products undergo strict quality tests to guarantee reliability in real-world conditions.
